ABOUT COMPANY

Ain Alanazi Group established in 2012. We import high quality lights and MEP products from the world's best manufacturers across China and Europe. We specialize in landscaping, MEP products and all types of lighting fixtures and solutions. We propagate the concept of "Let the light shine" to set a precedent for high-quality and leading-edge services across the country. Our professional team can work according to the client's needs and we use our manpower and technical support to highly satisfy our clients.

Our

Mission & Vision

To be indispensable to our customers by providing differentiated products and services to help them realize their aspirations and provide a high level of satisfaction to our valued customers.

Our mission is to provide innovative and sustainable lighting and MEP (Mechanical, Electrical, and Plumbing) solutions that enhance the comfort, safety, and aesthetics of the spaces where people live, work, and play. We aspire to be recognized as a trusted partner for our customers, employees, and stakeholders, by delivering high-quality products and services that exceed their expectations.

Our vision is to be one of the middle east's leading companies in the field of trade and contracting, known for our commitment to innovation, quality, and sustainability. We aim to create a positive impact on the environment and society, by developing energy-efficient and eco-friendly products, and by promoting responsible business practices. We strive to build long-term relationships with our customers, employees, and partners, based on mutual trust, respect, and shared values.

Our Services

Landscaping

We provide the full range of landscaping from design to execution.

Lighting fixtures

We specialize in all types of lighting fixtures and solutions including all types of LED fixtures, underwater lights, bollards, stadium lights and ceiling lights.
